#### My Buddy Butch Talk Radio For Pets

My Buddy Butch - Confessions of a New Dog Dad Book

#### Jeff Marginean on behalf of JEMAR Entertainment

The My Buddy Butch Radio Talk Show began on August 14, 2008. The Hosts are Jeff Marginean and his best buddy Butch himself! The show grew out of the book "My Buddy Butch - Confessions of a New Dog Dad" by Author, Musician, and Producer Jeff Marginean. It's a funny heartwarming story of how a little Boston Terrier changed his outlook on unconditional love, caring, and taught him how to stop and smell the ...um...roses!! After Jeff's Mom passed in April 2003 the family decided to get his Dad a Boston. This was just what the doctor ordered and Jeff was not far behind when "Buttons" had her first litter of pups.

Read the true story of how "Butch," this little rambunctious Boston, gave Jeff a new perspective on single parenthood, eating furniture, and fully digested presents, turning this bachelor into a "New Dog Dad!"

The show will be shopped into syndication in the future.

This release went live on 2008-08-04 and is 19 days old.
Lifetime PR Activity:189196

Ever want to talk to someone about a problem with your pet? Or even obtain news on recalled pet foods, products, and safety issues for your best furry little buddy. Do you have a new puppy or are you thinking of getting one? Well this is a great new place for pet owners to get that information, ask questions, and even discuss the current pet issues of the day. The My Buddy Butch radio show will begin airing its weekly programming on Thursday August 14, 2008 with host Jeff Marginean and, of course, his buddy Butch!

North Canton, Ohio (PRWeb via PRWeb) August 4, 2008 -- Jemar Entertainment, Inc. a multi-media company, announced today the launch of the "My Buddy Butch Radio Show for pet owners." The show will be airing on the critically acclaimed Blog Talk Radio On-Line network and will be "available as a free Podcast on Apple iTunes." The weekly one-hour show will cover current pet issues of the day, have a pet product feature review, and will be taking calls from listeners to discuss their pet problems, comments, and opinions. The show will also host special guests in the form of authors, veterinarians, trainers, pet product and food manufacturers.

This "family-friendly" show will be hosted by author Jeff Marginean ahead of his upcoming book, My Buddy Butch -- Confessions of a New Dog Dad, which will hit the stores on September 5th nationally. The show is an extension of the book in that it is intended to engage families to come together as a group and discuss issues about the care of their dog or pet, opening a line of communication that might not otherwise be available to them.

The Radio show will emanate from the My Buddy Butch Award-Winning Web Site where visitors (adults and kids alike) can check out the interesting pages of information and secret links for fun trivia. "Sometimes funny, sometimes serious," Jeff and Butch also host a blog on the site that is updated regularly. The site is climbing in popularity as its traffic pattern has steadily increased to more than 30,000 hits in July alone. As the show and Web Site progress, there will be contests, giveaways, and games introduced on a timed schedule.

The My Buddy Butch Radio Show stems from the knowledge accumulated by author Jeff Marginean while trying to learn to raise his pup Butch, who was given to him by his father. The funny antics, the problems, and the bond between Jeff and Butch never cease to entertain and educate all of those whom they encounter. This is "Parenting, Boston terrier style! ~ Publishers Weekly"
